2. Special room rate of \$38.69 per room available by identifying with Eastern Great Lakes Region meeting, or with Charles Olson.

Program:

8:00 – 12:00 Workshop: Remote Sensing of Vegetation

Presented by: Charles Olson, University of Michigan, Ann Arbor, Michigan
We expect the workshop to carry 0.4 CEU through Ohio State University.

The goal of this workshop is to provide an examination of morphologic and physiologic factors affecting signals upwelling from vegetated areas and their influence on remotely sensed data in the visible, near-IR, middle-IR, thermal and microwave spectral bands, with emphasis on the spectral bands of camera systems and the ETM+ sensor. [For an outline of the workshop, see page 10 of the Preliminary Program for the ASPRS Baltimore Convention.]

Noon hour **Midday Feast at the Homestead Inn, Milan, Ohio**

The Homestead Inn is located just south of the Ohio Turnpike, less than a half-mile from the Day's Inn.

Choose between Filet of Tenderloin (beef), Lake Erie Yellow Perch (fish), or a vegetarian entrée (salad/pasta).

1:15 – 2:00 **Business meeting and installation of officers**

2:00 – 3:30 **Theme: Impacts of Digital Photography on our Profession**
