

# Healing Our Waters® — Great Lakes Coalition

# A closer look at the Coalition

- National Wildlife Federation and National Parks Conservation Association are permanent co-chairs
- Over 100 Coalition member groups
- National groups
  - American Rivers
  - Audubon
  - Ducks Unlimited
  - Environment America
  - Sierra Club

# A closer look at the Coalition

- Regional groups
  - Alliance for the Great Lakes
  - Freshwater Future
  - Great Lakes United
- State / provincial and local groups
- Non-traditional groups
  - Brookfield Zoo
  - County Executives of America
  - Institute for Agriculture and Trade Policy
  - John G. Shedd Aquarium
  - League of Women Voters

# Goals

- Healing Our Waters ("HOW") – Great Lakes Coalition
  - Two fundamental tasks:
    - 1) Get a strong Great Lakes restoration plan in place (GLRC Strategy)
    - 2) Conduct a campaign that persuades state and federal governments to implement the plan through sound policies and substantially increased funding

# Activities

- Partner with and fund coalition members in several GL states to advance our goals
- Assist ~100 advocates in attending annual Great Lakes Day in Washington, D.C.
- Host annual Great Lakes Restoration Conference
- Other media, public outreach, and advocacy work

# Progress

- Fostered increased unity among various Great Lakes stakeholders
- HOW increasingly seen as *the* go-to group for Members of Congress on Great Lakes issues
- GL Restoration Pledge of \$5 Billion from President-elect Obama
- Successful reauthorizations of GLFWRA, GL Legacy Act

# HOW and the GLHI

- Working to secure more funding for programs that fund on the ground Great Lakes restoration projects
- Partnering with agencies: help us help you

# HOW 2009 Priorities - Authorizations

- New Great Lakes Collaboration Implementation Act (under development)
- Clean Water Restoration Act
- Invasive Species legislation
- Great Lakes Legacy Act
- Clean Water State Revolving Fund

# HOW FY2010 Priorities - Appropriations

- Great Lakes Fish and Wildlife Restoration Act (\$16m)
- Great Lakes Legacy Act (\$54m)
- Clean Water State Revolving Fund (\$490.1m for GL states)
- Great Lakes Fishery Ecosystem Restoration Act (\$10m)
