Bringing it Home: Lessons From the Field for Making Watershed Management Work
October 21-22, 2002, Mt. Sterling, Ohio

2805 S. Industrial Hwy., Suite 100
Ann Arbor, MI 48104-6791

Bringing it Home:

Lessons From the Field for Making Watershed Management Work

When: October 21-22, 2002

Where: Deer Creek Resort and Conference Center, 22300 State Park Road #20, Mt. Sterling, Ohio

Cost: \$60 per day, or \$100 for both days. Cost includes instructional materials, continental breakfast and lunch each day.

Want more information? Complete details and registration materials are available online at www.glc.org/watershed or by contacting Sarah Whitney (swhitney@glc.org), Elizabeth Moore (emoore@glc.org) or Ric Lawson (rlawson@glc.org) at the Great Lakes Commission (734-971-9135).

The workshop will bring together watershed coordinators, state agency representatives, and regional and national watershed experts to discuss a number of issues critical to watershed management.

Attendees to the workshop will gain access to a number of experienced professionals and other resources, and have a chance to interact with others facing similar situations. The workshop will cover such topics as land use planning, working with local government, integrating watershed planning within a regulator framework, financial management, watershed analysis tools, and TMDL development. There will also be a site tour of innovative BMPs in central Ohio. Space is limited, so register early to reserve your place.
