

Great Lakes HABs Collaboratory

Linking Science and Management to Reduce Harmful Algal Blooms

Date and Time: May 15, 2017, 10:00 a.m.-4:00 p.m.

Location: NOAA-GLERL, 4840 S. State Rd., Ann Arbor, Michigan

Registration for meeting: <http://bit.ly/2o6CxRI>

Registration for remote access: <https://attendee.gotowebinar.com/register/6007370176623036162>

Meeting Objectives

- Build in-person networking among collaborative members.
- Update by topical subgroups and receive feedback from group.
- Determine how the HABs Collaboratory can increase communication between scientists, managers, and policy makers.
- Assess first year of HABs Collaboratory and consider future priorities and next steps.

| Time | Topic Overview | Topic Objective |
|------------|--|---|
| 10:00 a.m. | Welcome (Deborah Lee NOAA-GLERL and Victoria Pebbles GLC) | |
| 10:10 a.m. | Overview of meeting and Introductions (Mary Anne Evans, USGS) | |
| 10:20 a.m. | In-person networking and breakouts (Kevin Meyer University of Michigan, <i>moderator</i>) <ul style="list-style-type: none">• Speed networking exercise to be conducted in breakout groups. | Give members opportunity to network in-person and allow the group to hear what research other members are conducting. |
| 11:20 a.m. | Updates from topical subgroups (Rebecca Muenich University of Michigan, <i>moderator</i>) <ul style="list-style-type: none">• Topical subgroups will each give a short presentation. Then have a short question and answer period with the group.• Sources of Nutrients to Lake Erie• Cures to HABs• Toxicity of HABs• Role of Nitrogen in HAB formation. | Topical sub groups will update the HABs Collaboratory on their progress. |

| | | |
|------------|--|--|
| 12:40 p.m. | Lunch! (Provided on site, \$10 contribution requested) | |
| 2:00 p.m. | One year later: looking back and looking forward (Victoria Pebbles GLC, <i>moderator</i>) <ul style="list-style-type: none"> • Form into breakout groups to discuss HABs Collaboratory. • Reconvene entire group and have breakout groups give summary of discussion. • Finally, the group will discuss feedback from subgroup discussion | Assess the first year of the HABs Collaboratory and consider priorities for next year. Including ideas for best ways to communicate science to managers. |
| 3:45 p.m. | Wrap up and next steps (Mary Anne Evans USGS, <i>moderator</i>) | |
| 4:00 p.m. | Adjourn | |
| 6:00 p.m. | IAGLR Welcome Reception Cobo Atrium | |

IAGLR HABs Collaboratory Happy Hour:

Please join members of the HABs Collaboratory for a happy hour on Wednesday May 17th at the Grand Trunk Pub (612 Woodward Ave, Detroit, MI 48226) from 7:30-9:00pm. Light appetizers will be provided.
