

Thank you for your interest in joining the Green Infrastructure Champions Network as an Emerging Champion (mentee). This form will be used to document your existing skills, experience and capacity related to green infrastructure, and the skills and experience you seek in a Pioneer Champion (mentor). The Green Infrastructure Champions Network will use the information you provided in this form to draw from its evolving network of Pioneer Champions to match you with one or more suitable mentors. As a mentee, you are expected to communicate with your mentor regularly through email, phone calls, and quarterly webinars to help breakthrough barriers to green infrastructure in your community. For more details about mentee and mentor expectations, see the [Mentoring Agreement](#). Please fill out this form and [submit it to gichampions@glc.org](mailto:gichampions@glc.org) by September 7, 2019.
