

Thank you for your interest in joining the Green Infrastructure Champions Network as a Pioneer Champion (mentor). This form will be used to document your skills, experience, and capacity related to green infrastructure. The Green Infrastructure Champions Network will use the information you provide on this form to match you with one or more suitable Emerging Champions (mentees). As a mentor, you are expected to communicate with your mentee regularly through email, phone calls, and quarterly webinars. Your feedback on your mentee's proposals, talking points, or other needs will significantly advance your mentee's green infrastructure initiatives. For more details about mentee and mentor expectations, see the [Mentoring Agreement](#). Please fill out this form and submit it to gichampions@glc.org.
