Position
The Great Lakes Commission-Sea Grant Fellowship is sponsored by the Great Lakes Commission, the National Oceanic and Atmospheric Administration's (NOAA) National Sea Grant College Program and the Great Lakes Sea Grant Network. The upcoming year (2018/2019) will be the 19th year of the program. The selected Fellow will work with members of the Great Lakes' science, policy, communication and education communities to advance the environmental quality and sustainable development goals of the Great Lakes states. The Fellow will contribute to and benefit from research coordination and policy analysis activities. The Fellow will be located at the Great Lakes Commission offices in Ann Arbor, Michigan.

Assignment
The length of assignment is one year and is non-renewable. The inclusive dates of the fellowship are June 1, 2018 through May 31, 2019; however, start and end dates are negotiable to accommodate academic semester or other recipient needs.

Eligibility
Eligible applicants include those who, at the time of application, are either enrolled in a graduate or professional degree program in public policy, public health, natural resources, aquatic sciences or related field at a U.S. accredited institution of higher education in the United States, or have completed their graduate or professional degree within the six months immediately prior to the time of application (e.g. graduated on or after August 1, 2017).

APPLICATION DEADLINE: FEB. 16, 2018 6 P.M. ET / 5 P.M. CT
