

Interjurisdictional Project: Regional Invasive Aquatic Plant Control Prioritization and Needs Assessment update

Alisha Davidson, GLC Contractor

Theresa Gruninger, GLC

Literature Reviews

- All literature reviews complete
- Have been sent for expert review (due back early December)
- Reviewed drafts will be provided for IAP workshop

IAP Workshop

- To be held in Ann Arbor on Jan 24-25
- 12 species will be highlighted
 - **Emergent/expanding species** (hydrilla, European frogbit, water soldier, didymo)
 - **Inconsistently regulated species** (water hyacinth, water lettuce, yellow floating heart, yellow flag iris)
 - **Widespread species** (Eurasian watermilfoil, starry stonewort, curly leaf pondweed, purple loosestrife)
- Summary of the IAP manager's survey and the literature reviews will help shape broader discussion
