Conference ID: 723 279 361#

Standing Committee Charge (2018-2020 GLP Work Plan):

Standing committees will be responsible for updating, maintaining and tracking progress on AIS priorities and identifying priority issues for GLP discussion and action

Desired Outcomes:

- Identify opportunity for engagement with relevant genetic biocontrol research efforts
- Consult the Research Coordination Committee on the interjurisdictional *Regional Invasive Aquatic Plant Control Prioritization and Needs Assessment* project
- Inform membership of new and ongoing work related to committee and GLP priorities

Draft Agenda

All times Eastern

9:00 a.m.	1. Meeting start-up <ul style="list-style-type: none">• Introductions and ice-breaker• Agenda review
