

3RD BIENNIAL
GLSNRP Dialogues 2026

Celebrating 35 Years of Sediment & Nutrient Reduction Grant-Making

August 4-5, 2026 • Lambeau Field Conference Center • Green Bay, Wisconsin

AGENDA

Optional field trip (separate registration required):

The morning of Tuesday, August 4, we will depart from Lambeau Field Atrium at 8:30 a.m. on buses to view local sites of interest, focusing on opportunities to slow and retain stormwater in both a rural and urban-to-rural setting. Return to Lambeau Field meeting location between 11:30 a.m. and noon.
