

Installation Report & Certification

<i>To be Completed By: the project Verifier</i>	<i>Submitted to: Program Administrator, Buyer, & Seller</i>
--	--

Project ID: _____

Prepared by:

County Conservation District, and State _____

Name: _____ e-mail: _____

Date: _____

Conservation Practice Type:

Practice Documentation:

Confirm whether the following documents have been completed and attached hereto as part of this Installation Report and Certification:

- On-site photos, date stamped (pre- and post-installation)
- Revised Project Application (if applicable)

Practice Installation:

Date of Installation: _____

Date of confirmation by the County: _____

Name of person doing the confirmation: _____

On-site Inspection (attach additional pages as necessary):

- A. Describe any deviations between installed conservation practices and Project Application commitments.

- B. If any deviations were reported above, describe how they nevertheless conform to the requirements of the Erie P Market program (Note: a Revised Project Application must be completed and attached to this form if any deviations occurred.)

Adapted from EPRI's Ohio River Basin pilot project.

C. Confirm whether the conservation practices specified in the Project Application were installed in accordance with the relevant NRCS Practice Standards.

D. Please include any comments here.

Attestation:

I certify that the conservation practices specified in the Project Application dated *<insert date of approved application>* were installed and that there were no deviations between the installed and contracted practices, other than those noted herein.
